

Member Parking Guidelines

Thank you for your support of the Weatherspoon Art Museum. We are pleased to enclose your Member parking decal. Your decal is valid for one year, renewable the same month as your membership. Below we have provided guidelines for parking in the Museum's reserved spaces.

Placement of Decal:

Place your Member decal on the lower inside left-hand corner of your rear windshield.

Guidelines:

- Due to the limited number of parking spaces, we request time be limited to two (2) hours in the lot*.
- Decal must be clearly visible at all times while on premises to avoid ticketing.
- Valid ONLY in the reserved Museum spaces—cannot be used elsewhere on UNCG campus.
- This decal may NOT be used by UNCG faculty, staff, or students in lieu of a UNCG parking permit.
- Violations will be managed by UNCG Parking Operations and Campus Access Management (POCAM).

**Exceptions will be handled on a case-by-case basis.*

Q&A:
